K F MARSHALL RODNEY — was Grand Champion, against strong competition, of the Kentucky Shorthorn Breeders' Show and Sale at Bowling Green, March 25, 1950. His sire, Marshall Monty, was imported in dam from the A. J. Marshall herd in Scotland and sold at the Sni-A-Bar dispersal sale in 1946 for \$2,500. He is a half-brother to Cruggleton Bounce and also half-brother to Cruggleton Bramar, chief herd bull of the Marshall herd. His dam is deep red and an excellent producer.

In 1951 Meacham sold a half-brother to K F Marshall Rodney which was Grand Champion for \$1,785 and another half-brother which was Reserve Champion in the same sale for \$1,325.

I quote from Mr. Meacham's advertisement, December 25, 1952, issue of the Shorthorn World which read, "We have sold twenty head by Marshall Monty at public auction for an average of \$1,180. The Grand Champion at the last three Kentucky sales have been sired by Marshall Monty."

You can see what the half-brothers and sisters of K F Marshall Rodney are doing for the Koreandale Farms. K F Marshall Rodney is breeding for us some of the most uniform calves we have seen. He has never sired a white calf for us and very few roans. Most of them are deep red and very uniform. Consigned in this sale are twelve of his calves, two outstanding bulls and ten outstanding females.

CRUGGLETON ARTIZAN - Imported in dam by L. E. Mathers & Son, was bred by the late Albert J. Marshall of Scotland and sired by the great breeding bull, Erimus Donald, bred by R. S. deQuincey and out of Augusta Dorina as one of the A. J. Marshall's good Augusta cows purchased by R. S. McWilliam of Scotland. Erimus Donald is by Kirkton Challenger by Kirkton Baronet.

Several sons and daughters of Erimus Donald have been bought by United States breeders. Among these the great breeding bull, Cruggleton Leishman, the 1952 Perth Reserve Supreme Champion purchased by Mr. John C. Blume for the Marellbar Farm from Marshall of Scotland at 3,000 guineas. Therefore, you will see that Cruggleton Artizan is bred in the purple.

We have several of his calves at the farm, all of which have lots of bone and substance and will bear your inspection. He is bred to several of the heifers consigned to this sale.

OAKLAWN COUNTESS 5th — Here is a rare opportunity. This is one of three heifers by A L Cap-A-Pie 4th that are consigned to this sale. Only one other daughter has ever been sold in a sale in Arkansas. She was champion at the last state sale. Her calves speak for themselves. This heifer is no exception. She carries all the qualifications of a top brood cow. Her dam is one of our best breeding cows, and this heifer is a worthy member of this family. She can bear the most critical inspection. Sells open.

## BUY CHAMPIONSHIP QUALITY — FOUR TOP HERDS HAVE DRAWN THE VERY CREAM OF THEIR HERDS FOR THIS EVENT

I think Ray A. Yarnell said it just about as well as it can be said, when we were discussing the cattle that are going to be sold in this four star offering, "I don't think you can toot your horn too loud, when you tell people about every one of the 53 bulls and females we have listed in our Invitational Sale." I quite agree with him because never before has a better set of Shorthorn bulls and females been offered at auction in the mid-south. Every one of these herds have been building for several years toward this first sale. They have acquired a lot of top bulls and top breeding females, and more than an unusual percentage of these have proven to be top producers. When this sale was set up everyone agreed that the cattle had to be tops. As plans progressed, we stayed by our guns on this requirement and these consignors have taken the very cream of their herds to round out an offering that should interest anyone who likes good cattle and above all, good Shorthorns.

Everyone has confidence in livestock business, especially in the cattle business, as it pertains to Shorthorns. The day when premium will be paid for quality on every livestock market is here and I assure you that you can help yourself to your share of it by being on the seats at Green Meadow Farms on March 27th.
